A screenshot of a WhatsApp video call interface. At the top, the status bar shows the time 10:10, battery level, and various connectivity icons. The call interface is divided into four video feeds. The top-left feed shows a man with glasses and a blue plaid shirt, identified as 'Ramu'. The top-right feed shows a woman with dark hair in a black and white checkered shirt, identified as 'Santra Joseph'. The bottom-left feed shows a man with a mustache and a red shirt, identified as 'Saravanakumar Subramanian'. The bottom-right feed is mostly black, with a white silhouette icon and the name 'Sai Aditiya' below it. A red dot and the word 'Recording' are visible in the top-right corner of the call area. At the bottom of the screen, there are five white dots and a back arrow.
