

1.I Mrs.Elaine got my root canal procedure done by Dr.Nivetha from department of conservative dentistry and endodontics. I was clearly informed about the treatment procedure, alternate treatments available and the cost for the procedure. I am very much satisfied with the service of Dr.nivetha who was very professional. Thank you for providing the best care. very grateful for choosing Chettinad dental hospital for my treatment.

Regards,

Elaine

2. I Mrs.Revathi visited Chettinad dental hospital recently and had a very good experience .I had my root canal treatment done by Dr.Sangitha and she made me so comfortable throughout the treatment. She explained in detail about the process and gave an excellent treatment. I would highly recommend Dr.Sangitha for root canal treatment.

Regards,

Revathy

3.I Captain. Dominic got my cavity filled here. My wife Mrs. Elaine got her root canal treatment done here too. We had an wonderful experience, all the doctors in department of conservative dentistry and endodontics are very professional. The whole visit was very pleasant. I would highly recommend Chettinad dental hospital for patients who wants quality treatment at low cost.
