International partnerships and collaboration with overseas universities ensure a platform for sharing emerging pedagogies and effective processes and also provide immense scope for valuable cross cultural exposure.

At Chettinad campus the opportunities for personal and professional growth are abound. Avail them to maximize your potential. There is no room for meritocracy in life's path. Medicine is an altruistic profession. Aspire to do your best and be the best.

As physicians of future, the onus is on you to imbibe humanitarian values to serve and contribute to the community with commitment and devotion.

Wishing you the very best at Chettinad Dental College and in life.

CHETTINAD DENTAL COLLEGE & RESEARCH INSTITUTE

The Bachelor of Dental Surgery (BDS) course in Chettinad Dental College and Research Institute is in accordance with The Tamil Nadu Dr . M.G.R. Medical University and the Dental Council of India.

The Institute with the blessings of almighty promises a well trained dental surgeon to the society. The geographical location of this institute is at the entrance of a metropolitan city and at the midst of villages brings a good mix of patients from all strata of society, to accommodate under - graduate and post - graduate teaching. This abundant clinical material, with available new generation faculties and technological advancements gives a paradigm shift in dental treatments in par with best institutions abroad. Dentistry is fine balance between science and esthetics. The faculty works in tandem with the students to inculcate esthetic - artistic sense, identify their capabilities, to encourage them through their strengths. This futuristic training helps them to identify the post -graduate subjects of their choice and also equips them to present day corporate dental practices.

Research in dentistry is cultivated at the under - graduate level at the Chettinad Dental Hospital and Research Institute. The presence of the dental college along with the medical college in the campus adds a new dimension to dental training. A sound knowledge and application of basic medical sciences, during medical emergencies in dental practice and treatment of medically compromised patients and forms the foundation of BDS course. Thus the graduate of this institute matches global standards.

Wish these few words I welcome you to join us to STRIVE, SAVE and SERVE this society, which is the motto of Chettinad.
