The Overall Score for the PTE Academic is based on the test taker's performance on all items in the test. The scores for Communicative Skills and Enabling Skills are based on the test taker's performance on only those items that pertain to these skills specifically. As many items contribute to more than one Communicative or Enabling Skill, the Overall Score cannot be computed directly from the Communicative Skill scores or from the Enabling Skill scores. The graph below indicates this test taker's Communicative Skills and Enabling Skills relative to his or her Overall Score.

When comparing the Overall Score and the scores for Communicative Skills and Enabling Skills, please be aware that there is some imprecision in all measurement, depending on a variety of factors. For more information on interpreting PTE Academic scores, please refer to interpreting ITE Academic Score Report which is available at www.pearsonpte.com/pluecalamic/scores.

March 22, 2018

Dr. Abinaya Chari 4521 Harborpointe Drive Port Richey, FL 34668

Dear Dr. Chari:

I am delighted to inform you that you have been accepted to the Professional Program for International Dentists at the UCLA School of Dentistry beginning May 2018. We pride ourselves in having an excellent dental education program and I hope that you will become an active member of our outstanding student body. I am confident that you will find our programs both challenging and interesting.

The PPID is an intensive program that begins in May each year and continues for a minimum of 25 consecutive months. The program commences with a pre-clinical review course that includes didactic review and clinical preparatory instruction. After the students successfully complete the pre-clinical courses, they will be rapidly integrated as 3rd year students in the UCLA School of Dentistry's traditional four-year program. Students who then fulfill all the requirements of the traditional third and fourth year curriculum will be awarded a Doctor of Dental Surgery (D.D.S.) degree. As with our traditional students, those who do not pass basic competencies will be required to spend extra time to remediate their deficiencies, while those who demonstrate advanced proficiency will have the opportunity for additional training within the normal curriculum.

Please go to http://my.ucla.edu/ in order to notify us of your acceptance. This online site will allow you to submit the non-refundable deposit of \$3,400.00 and complete the Statement of Intention to Register (SIR). You must log into this site and either submit the deposit or decline the offer by March 30, 2018. Prior to submission of your deposit, a mandatory information session with a financial aid officer is required. Please contact a financial aid officer via e-mail at financial aid@dentistry.ucla.edu to make the necessary arrangements. Finally, your enrollment in the program requires submission of a health clearance by April 13, 2018. The details of this requirement will be sent to you after receipt of your deposit.

We look forward to welcoming you to the University of California - Los Angeles School of Dentistry in May. Please feel free to contact Genevieve Cedillo, PPID Coordinator, at (310) 825-6218 if we can be of further assistance to you.

Sincerely,

Paul Krebsbach, D.D.S., Ph.D.

Professor and Dean

About Your GRE® Score Report

Score Reporting Policies

With the ScoreSelect® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

Note: This report is not valid for transmission of scores to an institution.

Most Recent Test Date: October 19, 2016

ANDREA SURESHRAJKUMARARULDOSS

Date of Birth: January 26, 1993

Registration Number: 0336231
Print Date: February 2, 2017

- Most Recent option Send your scores from your most recent test administration
- All option Send your scores from all administrations in the last five years
- Any option Send your scores from one OR as many test administrations in the last five years (this option is not available on test
 day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 –
 June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to
 August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see Interpreting Your GRE Scores at www.ets.org/gre/understand.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).
