

6.3.2 Average percentage of teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the last five years

The number of faculty received financial support for 2017 - 2018 is 63, the difference in number of faculty in 2017 - 18 is due to certain faculty members left the institution after obtaining financial support and new faculty joined the institution also obtained the financial support. Hence those names were not included in the faculty list submitted to NAAC. Please find below correct list of Faculty who received financial support to attend conferences/workshops and towards membership fees.

1. Enclosed audited statement highlighting the financial support
2. Enclosed E-copies of letters indicating financial assistance to teachers & list of teachers receiving financial support year wise under each head.

S.No	Name of the teacher	Name of conference/ workshop attended for which financial support was provided	Name of the professional body for which membership fee was provided	Amount (INR)
