The image displays three screenshots of a Zoom mobile application interface, each showing a list of participants in a meeting. The status bar at the top of each screen indicates a 71% battery level and a Wi-Fi connection. The interface includes a top navigation bar with icons for Unmute, Stop Video, Share Content, Participants, and More. Each participant entry consists of a circular profile picture, a name, and a status icon (a red microphone icon with a slash through it, indicating they are muted). At the bottom of each list, there are 'Chat' and 'Invite' buttons, with a red notification badge on the 'Chat' button.
