Surgery

LECTURE

S.No	DATE	Lecture topic	Faculty	Participated Students
1	11/06/2020	SINUS AND FISTULA	Dr. VARADHARA JAN	84

The image shows a screenshot of a Zoom mobile app interface during a lecture. On the left, there are two panels displaying the list of participants (84 total). The top panel shows participants from Kavya Maran chet to Nithyasri.B.R. The bottom panel shows participants from Anu Dharshini Sekar to Divya Bharathi. On the right, a presentation slide titled "SINUS AND FISTULA" is displayed. The slide content defines a sinus as a "blind-ending tract connecting a cavity lined with granulation tissue (often an abscess cavity) to an epithelial surface" and references "Figure 40.52a". At the bottom of the screen, the Zoom control bar is visible with options like Unmute, Start Video, Share, Participants, and More.
