

Year	Name of the Principal Investigator	Title of the project	Department of Principal Investigator	Year of Award	Duration of the project
1	Dr.Saravana kumar	Evaluation of bacterial adhesion counts in different orthodontic arch wires-An invitro study	Orthodontics	2020	18 months
2	Dr.Saravana kumar	Effect of platelet rich plasma(PRP) on the rate of space closure in maxillary arch extraction cases-A randomized control trial	Orthodontics	2020	12 months
3	Dr.Saravana kumar	Comparison of micro leakage and bond strength in metal and ceramic brackets cured by conventional and transillumination methods- An invitro appraisal	Orthodontics	2020	18 months
4	Dr. Prema	Intermaxillary tooth size discrepancy in class II malocclusion in kanchipuram population,Is there any relation	Orthodontics	2020	12 months
5	Dr. Prema	The effect of LED light cure intensity on pulpal wall temperature and adhesive remnant index : An in vitro study	Orthodontics	2020	3 months
6	Dr. Prema	Effect of mini esthetics in south india population	Orthodontics	2020	6 months
7	Dr. sushmitha	Evaluation of COGS in south Indian Population	Orthodontics	2020	8 months
8	Dr.Srivainavi	Comparative evaluation of A-PRF when used in conjunction with Xenograft in mandibular grade II furcation defects - A randomized single blinded study	Oral surgery	2020	18 months

9	Dr.Ranjana devi	Effectiveness of Chu-Esthetic gauge in the establishment and maintainance of Biologic width following Crown lengthening procedures	Prosthodontics	2020	18 months
10	Dr.Jessica	Evaluation of complications associated with retromandibular approach in subcondylar fractures	Oral surgery	2020	12 months
11	Dr.Senthilkumar	Comparative evaluation of human periodontal ligament fibroblasts (PDLF) viability of 4 different storage media at 4 different time intervals - An invitro stud\y.	Endodontics	2020	10 months
12	Dr.Sadasiva	Comparative evaluation of antimicrobial efficacy of calcium hydroxide, chlorhexidine and chitosan infused calcium hydroxide as intracanal medicament against E.faecalis: An vitro study.	Endodontics	2020	18 months
13	Dr.Sophia	Effectiveness of Cur-Q -Fresh Tulsi Curcumin herbal mouthwash on patients with dental Biofilm induced Gingivitis-A randomized placebo controlled double blinded study	Periodontics	2020	18 months

14	Dr. Anupama	Comparative evaluation of cytotoxicity of different concentrations of peracetic acid used for disinfection of gutta percha cones.	Endodontics	2020	18 months
15	Dr. Shruthi	Correlation of Oral Health status of Parents and their children of age group 6-12 years using OHI-S, DMFT and deft indices	Pedodontics	2020	10 months
16	Dr. Saraswathy Meena	Comparative evaluation of compomers and ormocers as pit and fissures sealants in permanent molars of 7 - 9 years old children	Pedodontics	2020	10 months
17	Dr. Vigneshwar	A comparative evaluation of dissolution rates of three different posterior restorative materials used in Pediatric Dentistry - An invitro study	Pedodontics	2020	12 months
18	Dr. Senthil Eagappan AR	Knowledge, Attitude, and Practice of Dental practitioners in treating children with Autism spectrum Disorder (ASD)	Pedodontics	2020	3 months

19	Dr.Serena	Evaluation of Barr bodies in cytological smears for sex determination	Oral Pathology	2020	3 months
20	Dr.Harinipriya	Knowledge, Awareness and Practice of Usage of Consent Form among Dentist in Chennai- A questionnaire study	Oral Pathology	2020	3 months
21	Dr. Divyapriya	Comparative Evaluation of Gingival Health Status, Plaque accumulation and Parental satisfaction of Primary lower second molars restored with two different molar crowns in 4 - 7 year old children - Split Mouth study	Pedodontics	2020	18 months
22	Dr. Lakshmi Priya	Comparison of Chairside cooperative ability with Social Quotient of Mentally Challenged children	Pedodontics	2020	18 months
23	Dr.Bavithra	MRI correlation study on bony changes in TMJ disc displacement with and without reduction - An analytical study	Pedodontics	2020	18 months
24	Dr.Nancy monica	Comparison of bond strength of laser clad ceramic with two base metal alloys - An invitro study	Oral Medicine	2020	18 months

25	Dr.Harinipriya	Knowledge,Awareness and Precautionsfor collection and processing of cytological smears from the patients during COVID era among oral pathologists - A questionnaire study.	Oral Pathology	2020	3 months
26	Dr.Anupama	Effect on different chelating agents on the pushout bond strength of sealers	Endodontics	2020	10 months
27	Dr. Harish SS	Assessment of Oral Health Status and Reach of Pediatric Dentistry among 6 to 10 year old rural children of Kelambakkam village	Pedodontics	2020	18 months
28	Dr.Raj Manickam.D	Comparison of internal fit of metal crowns fabricated by autopolymerising patterns resin, light activated pattern resin, 3D printed resins with conventional lost wax technique - An in vitro study	Endodontics	2020	12 months
29	Dr.Sreeram	Evaluation of post operative pain in symptomatic irreversible pulpitis after placement of diclofenac sodium intracanal medicament	Endodontics	2020	12 months
30	Dr.Senthil kumar .K	Use of Infrared thermometer to assess pulp vitality -A cross sectional study	Endodontics	2020	12 months

31	Dr.Daya Srinivasan	Comparaision of conventional band and loop space maintainer with pre formed band and loop space maintainer- A Rct	Orthodontics	2020	9 months
32	Dr.Deepthi	Assesment of the viability of human PDL cells in white tea extract,lime juice and passion fruit concentrate- A comparative invivo study	Periodontics	2020	9 months
33	Dr.Bavithra	Telemedicine- A curse or boon to reality in medicine and dentistry	Oral Medicine	2020	3 months
34	Dr.Vaishali	Efficacy of silicone sheets in maxillofacial scar management- A prospective study	Oral surgery	2020	10 months
35	Dr.Arthilakshmi	To compare the retention , functional efficiency, aesthetics between Ss Crown And Zirconia Crown In Pediatric Dentistry	Prosthodontics	2020	18 months

36	Dr.Divya Natarajan	Effect of the sugar substitutes on the dental plaque, ph between caries active and caries free children	Periodontics	2020	10 months
37	Dr.Senthil egappan	To compare the clinical outcome , efficiency and time consumption between manual and rotary methods in pulpectomy done in primary mandibular first molars	Endodontics	2020	10 months
38	Dr.Daya Srinivasan	To assess the parental acceptance and knowledge on fluoride application in pediatric dentistry	Pedodontics	2020	6 months

39	Dr.Sadasiva	Recycling of Used NI-Ti Endodontic Rotary Files - A cross sectional study	Endodontics	2020	12 months
40	Dr Anupama	Management protocols of hot tooth - KAP survey among general dentists and endodontists	Endodontics	2020	12 months
41	Dr.Manu unnikrishanan	Evaluation of efficacy of spreader selection on density of obturation of root canals done with warm vertical compaction and ultrasonic compaction of root canals	Endodontics	2020	12 months
42	Dr.Harini K	Comparing Microleakage in Porcelain Laminate Veneers after Ultrasonic Scaling With Margins Placed 0.5mm And 1mm from CEJ – An In Vitro Study	Prosthodontics	2020	12 months
43	Dr.Deepti J V	Veneers after Ultrasonic Scaling With Margins Placed 0.5mm and 1mm from CEJ	Prosthodontics	2020	10 months
44	Dr.Rameezuddin	Effect of application of chelating agents and organic acids on push out bond strength of fibre post to root dentin:an in vitro study.	Endodontics	2020	12 months

45	Dr.Sreeram	Evaluation of post-operative pain in symptomatic irreversible pulpitis after placement of diclofenac sodium intracanal medicament.	Endodontics	2020	10 months
46	Dr.Indra Annamalai	Deflection changes of mini implants on Varying bone densities	Orthodontics	2020	12 months
47	Dr.Indra Annamalai	Photographic assessment of facial components in facial esthetics as perceived by Orthodontists, Artists and Photographers – An In vivo Study	Orthodontics	2020	10 months
48	Dr. Revathy .P	Comparative evaluation of Human pulp tissue dissolution by Sodium hypochlorite,Sodium hypochlorite combined with Etidronate and Oxygen fluid® with and without Sonic Agitation	Endodontics	2020	10 months
49	Dr. Revathy .P	Knowledge, Attitude and Practice about White Spot Lesions among Dental Professionals - A Questionnaire Survey	Endodontics	2020	6 months

			Endodontics	2020	10 months
50	Dr. Revathy .P	Efficacy of tooth bleaching with prior application of two different desensitizing agent- An Invitro study			
51	Dr.Prema	A systematic study change in alveolar bone thickness following corticotomy with and without bone graft	Orthodontics	2020	12 months
			Oral Pathology	2020	12 months
52	Dr.Serena	Comparison of Coconut Oil, Castor Oil, Kerosene, Gingelly Oil as a mountant with DPX.			
53	Dr.Vaishali	Comparison of immediate implant with PRF placed in postextraction socket as an effective way of socket preservation to that of a socket packed only with PRF.	Oral surgery	2020	10 months
			Endodontics	2020	10 months
54	.Dr. Shwetha. RK	ECGP-Electroconductive Gutta percha - A clinical study			

55	Dr. Shwetha. RK	Evaluation of antimicrobial efficacy of 0.1% Octenidine Dihydrochloride – A randomized controlled trial.	Endodontics	2020	10 months
56	Dr. Yashini.T	Assessment of Knowledge, Attitude and Practice about Cracked Tooth Syndrome among Dental Professionals - A Questionnaire Survey	Endodontics	2020	8 months
57	Dr. Yashini.T	Retention of fiber post in different dentin region using various bonding techniques-An Invitro study	Endodontics	2020	12 months
58	Dr. Yashini.T	SEM evaluation of root dentin walls with variants of sodium hypochlorite - An invitro study	Endodontics	2020	10 months
59	Dr.Sankar	Assessment of knowledge, attitude and practice about finishing and polishing of composite restoration among various dental professionals - A Questionnaire survey	Endodontics	2020	8 months
60	Dr.Sankar	Comparison of antibacterial efficacy of newer sustained release fillers incorporating CetylPyridinium chloride (CPC) with Calcium Hydroxide and Chlorhexidine as intracanal medicament – an invitro study	Endodontics	2020	12 months
61	Dr.Srividhya.S	Comparative evaluation of Knowledge, Attitude and Practice about Endodontic irrigation among various Dental professionals-A Questionnaire survey	Endodontics	2020	8 months
62	Dr.Srividhya.S	Effect of 3 different natural antioxidants on shear bond strength of composite resin to bleached enamel-An In-vitro study	Endodontics	2020	10 months

63	Dr.Praveenkumar	To evaluate the incidence of second mesiobuccal canal in permanent maxillary molars under different study	Endodontics	2020	18 months
64	Dr.Srividhya.S	Neural Sensibility response among South Indian Population - An invivo study	Endodontics	2020	12 months
65	Dr.Srividhya.S	Comparative evaluation of viability of Human periodontal ligament fibroblasts in HBSS, Milk, Tender coconut, ORS, Egg white and tap water as storage media at 4 different time intervals-An In-Vitro study	Endodontics	2020	12 months
66	Dr.Kalaiarasi	Comparative evaluation of sealing ability of Theracal LC, MTA, Biodentine when used as furcation repair material- UV spectrophotometric analysis	Endodontics	2020	12 months
67	Dr.Kalaiarasi	Comparative evaluation of smear layer removal in apical third using four different irrigant with ultrasonic agitation – SEM analysis	Endodontics	2020	12 months
68	Dr.Ramya	Evaluation of root dentin hardness and its morphology after final irrigation with different organic and synthetic irrigants - An invitro study	Endodontics	2020	18 months
69	Dr.sangita	Comparitive evaluation of antimicrobial efficacy of various intracanal medicaments against Enterococcus faecalis and Candida albicans - An invitro study	Endodontics	2020	18 months
70	Ms.Sandhya.S	Evaluation and assessment of obsessive compulsive disorder among medical, dental and allied health professionals ; a cross-sectional comparitive study	Endodontics	2020	2months

71	Mr.Perarivalan	To develop an indigenous cast effective sensor device for quick chair side assessment of occlusal forces in dental patients- A novel approach	Endodontics	2020	2 months
72	Dr Rajesh	Efficacy of percutaneous glycerol rhizotomy for trigeminal neuralgia	Oral surgery	2020	12 months
73	Dr Rajesh	Radiographic position of impacted mandibular third molars and their association with pathologies-a cross sectional study	Oral surgery	2020	8 months
74	Dr Rajesh	Comparative study of lignocaine and bupivacaine in extraction patients	Oral surgery	2020	10 months
75	Dr Alagappan	Is routine antibiotic prophylaxis necessary for surgical removal of third molars	Oral surgery	2020	10 months
76	Dr Alagappan	Assesement of post extraction complication under local anesthesia	Oral surgery	2020	10 months
77	Dr Semmia	Knowledge of medical practitioners, dental practitioners and cardiac patienst towards dental management of patients on oral anticoagulants	Oral surgery	2020	8 months
78	Dr Semmia	Effectiveness of hemcon dressing vs conventional dental dressing on oral antiplatelet	Oral surgery	2020	12 months
79	Dr Semmia	Assesement of oral health by gingival changes in patients undergoing IVF -cross sectional study	Oral surgery	2020	10 months
80	Dr Rizwana	Comparison of efficacy of oral analgesics with transdermal analgesic for managemnt of post extraction pain	Oral surgery	2020	12 months
81	Dr Jessica	Assesement of position of mandibular foramen irt to bony landmarks in dry human mandible	Oral surgery	2020	8 months
82	Dr Alagappan	Comparitive evaluation of Erichs arch bar and Hybrid arch bars for IMF in maxillofacial trauma	Oral surgery	2020	12 months
83	Dr Alagappan	Managing foreign bodies in maxillofacial trauma - A cross sectional study	Oral surgery	2020	12 months
84	Dr Alagappan	Post operative infection in maxillofacial trauma -A clinical study	Oral surgery	2020	12 months

85	Dr Rajesh	Correlating platelet changes in maxillofacial trauma - A clinical study	Oral surgery	2020	12 months
86	Dr Semmia	Pediatric maxillofacial trauma - A clinical study	Oral surgery	2020	12 months
87	Dr Rajesh	Does the impacted mandibular third molar increase risk of angle fracture-a retrospective analysis	Oral surgery	2020	10 months
88	Dr Alagappan	Concussion: how frequent are we dealing with this perilous sequelae in cranio maxillofacial trauma -a retrospective analysis	Oral surgery	2020	8 months
89	Dr Alagappan	Clinical evaluation of the impact of L-PRF membrane on peri implant hard and soft tissue architecture- A Prospective analysis	Oral surgery	2021	12 months
90	Dr Rizwana	Effectiveness of Local Anesthesia spray vs local Infiltration in mobile Anterior / Posterior teeth – An Observational Study	Oral surgery	2021	12 months
91	Dr Rizwana	Comparison of Oral Bleeding time in patients Undergoing dental extraction vs Cutaneous bleeding time	Oral surgery	2021	10 months
92	Dr Rajesh	Evaluation of incidence of body dysmorphic disorder in postoperative cases of maxillofacial trauma- A questionnaire study.	Oral surgery	2021	12 months
93	Dr Rajesh	Knowledge, attitude and awareness of the oral and maxillofacial surgeons in approaches to the management of patients during COVID-19 pandemic- A questionnaire study.	Oral surgery	2021	6 months
94	Dr Rajesh	Effect on vit d3 on orthodontic tooth movement and post treatment stability	Orthodontics	2021	18 months
95	Dr Rajesh	Comparison of immediate implant with PRF placed in postextraction socket as an effective way of socket preservation to that of a socket packed only with PRF	Oral surgery	2021	12 months
96	Dr Alagappan	Evaluation of complications associated with retromandibular approach in subcondylar fractures	Oral surgery	2021	10 months
97	Dr Alagappan	Microbial spectrum & antibiotic resistance in maxillofacial surgery a retrospective infection - A retrospective study	Oral surgery	2021	12 months

98	Dr Alagappan	To compare the efficacy of calcium alginate dressing over traditional dressing - A clinical study	Oral surgery	2021	8 months
99	Dr Alagappan	Effect of bone regeneration with platelet rich fibrin versus mineralized plasmatic matrix for immediate implant placement	Oral surgery	2021	12 months
100	Dr Alagappan	Evaluation of success of the implant bone rings – a single stage three dimensional bone transplant technique	Oral surgery	2020	8 months
101	Dr Alagappan	Comparing the efficacy of cyanoacrylate glues vs traditional suturing as method of skin closure in maxillofacial injuries	Oral surgery	2020	10 months
102	Dr Alagappan	Assessing the role Choukron-PRF as a membrane for covering implants- particulate graft complex in healing and marginal bone levels	Oral surgery	2020	18 months
103	Dr Alagappan	Zygoma implants as a successful method of graftless rehabilitation of the atrophic maxillary arches in diabetics	Oral surgery	2021	18 months
104	Dr Alagappan	Antiplatelet drug therapy and post extraction bleed – a case-control study	Oral surgery	2021	12 months
105	Dr Rajesh	Direct VS indeirect sinus lift: A comparitive study	Oral surgery	2021	18 months
106	Dr Rajesh	Ridge split technique for horizontal augmentation to preserve post extraction preservation of alveolar width-randomized controlled trial.	Oral surgery	2021	18 months
107	Dr.S.Samyukta	Evaluation of cytotoxic effects of fruit extracts on oral cancer cell lines- An in-vitro experimental study	Oral Pathology	2021	18 months
108	Dr.S.Samyukta	Biosafety measures in a cytopathology lab during Covid-19 era- A questionarie study	Oral Pathology	2021	8 months
109	Dr.S.Samyukta	Awariness about precautionary practices among dentists in the post-Covid-19	Oral Pathology	2021	8 months
110	Dr.R.Sathish Muthukumar	Immunohistochemical study of expression of melatonin in inflammatory conditions,potentially malignant disorders,OSCC and in normal mucosa	Oral Pathology	2021	18 months

111	Dr.M.Prisilla	Evaluation of BCL-2 & GLUT-1 in Oral squamous cell carcinoma	Oral Pathology	2021	18 months
112	Dr . Logeshwari	Occurrence of cusp of carabelli trait in permanent maxillary first molar associated with the presence of permanent maxillary 3rd molar	Oral Pathology	2021	9 months
113	Dr.Sujatha Devi	Effectiveness of motivational interviewing on oral health behavior among pregnant women in Chengalpattu District: A RCT	Oral Pathology	2021	18 months
114	Dr.S.Vincy Preetha	Association of Oral Health Status with Malnutrition, Depression, and Frailty in Geriatric population of Chengalpattu, Tamil Nadu: A Cross-sectional study	Pedodontics	2021	18 months
115	Dr.D.Charumathi	Influence of self-esteem on oral health-related quality of life in university students in Chengalpattu district- A cross-sectional study	Pedodontics	2021	18 months
116	Dr.N.Nagappan	Paediatric dentists' knowledge of behavioural management principles in Tamil Nadu, India.	Public Health Dentistry	2021	8 months
117	Dr.N.Nagappan	<u>Validity of Index of Orthodontic Treatment Complexity in Assessing Complexity of Treatment among the Malocclusion Groups.</u>	Public Health Dentistry	2021	10 months
118	Dr.N.Nagappan	Awareness about unusual symptoms of COVID-19: A pilot survey among Indian adults.	Public Health Dentistry	2021	8 months
119	Dr.N.Nagappan	A Clinicoepidemiological and laboratory profile of scrub typhus in a urban tertiary care hospital.	Public Health Dentistry	2021	8 months
120	Dr.N.Nagappan	Evaluation of COVID 19 impact and its infection control measures among the dental care professionals.	Public Health Dentistry	2021	12 months
121	Dr.N.Nagappan	Awariness and Knowledge About New Vaccines among Parents.	Public Health Dentistry	2021	10 months
122	Dr.N.Nagappan	Efficacy and safety of drugs used in postoperative pain following lower abdominal surgeries- A Hospital based study.	Public Health Dentistry	2021	10 months

123	Dr.Cyril & Dr.Nagaland	Evaluation of Oral Health Education Programme among Parents of Intellectually Disabled Children In Bengaluru	Public Health Dentistry	2021	12 months
124	Dr.Manonmani	Awareness of radiation hazard and knowledge about advancements in radiation protection among dentist and radiology technologist - A questionnaire study	Oral Medicine	2021	6 mnths
125	Dr.Akshaya	Evaluation of knowledge ,attitude ,practise ofPET & SPECT among Oral Medicineand radiology practioners	Oral Medicine	2021	8 months
126	Dr.Samunisha Begum	Awareness of anaemia as a potential risk factor for cancer and role of dentists in outpatients attending a tertiary care hospital	Oral Medicine	2021	10 months
127	Dr.Eazhil	Impact of newer preparation design,prosthesis material and bonding cement on the performance of posterior wing retained resin bonded fixed partial dentures	Prosthodontics	2021	12 months
128	Dr.R.Sridharan	Effect of photobiomodulation therapy on peri implant osteoblastic activity ,soft tissue healing and wound healing score in type 2 diabetic patient	Prosthodontics	2021	12 months
129	Dr.Venkateshwar S.A	Comparative evaluation of fracture resistance of CAD-CAM zirconia,lithium di silicate ,PEEK and metal molar copings after aging -An invitro study	Prosthodontics	2021	18 mp
130	Dr.Selvamani	Comparative evaluation of flexural strength ,modulus of elasticity and impact strength between graphene incorporated PMMA and high impact PMMA	Prosthodontics	2021	18 months
131	Dr.Selvamani	Quality of life in patients with dental prosthesis in south indian population	Prosthodontics	2021	10 months
132	Dr.Anupriya	Comparative evaluation of sheer bond strength of veneered ceramic in zirconia core with various surface treatment	Prosthodontics	2021	18 months

133	Dr.Nancy Monica	Comparison of fracture resistance of endodontically treated teeth prepared using conventional technique and biologically oriented preparation technique (Vertical preparation)	Endodontics	2021	12 months
134	Dr.Raj Manickam.D	Evaluating the strength and properties of denture base resin reinforced with natural fibers obtained from conchorus species.	Prosthodontics	2021	12 months
135	Dr.Gladson	Fabrication of a implant torque wrench calibration device using dental implant mount	Prosthodontics	2021	10 months
136	Dr.Imra	Use of mobile apps for periodic assessment of dental light cure units- An invitro study	Endodontics	2021	10 months
137	Dr.Adhithi	Artificial intelligenece in Prosthodontics- A comparative study	Prosthodontics	2021	8 months
138	Dr.P.Sai archana	Prevalence of candidal infections post covid –a cross sectional study	Oral Medicine	2021	10 months
139	Dr.Kanmani	Prevalence of psychosomatic disorders post covid infection	Oral Medicine	2021	12 months
140	Dr.P.Sai archana	Prevalence of potentially malignant disorders in south Indian population- a cross sectional study	Oral Medicine	2021	12 months
141	Dr.Christeffi mabel	Assesment of knowledge about Covid 19 infections among dentists – A questionnaire study	Oral Medicine	2021	10 months
142	Dr.Priyadharshini	Comparison of OPG and CBCT for evaluation of mandibular canal in implants- a retrospective study	Oral Medicine	2021	10 months
143	Dr.Jaganatha.GV	The maternal socioeconomic status and the caries experience among 2-6 years old preschool children of chennai, India.	Public Health Dentistry	2021	10 months
144	Dr.Jaganatha.GV	Nutritional status and Caries experience among 12-15 years old school going children.	Public Health Dentistry	2021	10 months
145	Dr.Nagappan	Combating the allurements-a practical implication of tobacco cessation in dental clinic.	Public Health Dentistry	2021	10 months
146	Dr.Nagaland	Knowledge on management of dental traumatic injuries among school-teachers in chennai.	Public Health Dentistry	2021	10 months

147	Dr.Nagappan	Prevalence of malocclusion and its psychosocial impact among 12-15 year old school children in chennai city.	Public Health Dentistry	2021	10 months
148	Dr.Gayathri devi	Comparison of bone volume and implant stability in mandibular posterior immediate extraction sockets with and without bone graft and L-Prf : A Randomised controlled trial	Public Health Dentistry	2021	10 months
149	Dr.Nagaland	Dentition status and treatment needs in prisoners of puzhal, a cross sectional study.	Public Health Dentistry	2021	10 months
150	Dr.Nagaland	Mystical view of exotic beverages – an update on tea, coffee and oral cancer risk.	Public Health Dentistry	2021	10 months
151	Dr.Vaishali	Evaluation of surgical outcomes of zygomatic implant supported rehabilitation of atrophic maxillary arch in geriatric diabetic population	Public Health Dentistry	2021	12 months
152	Dr.Nagaland	Knowledge, Awareness and Attitude about research ethics among dental faculties in Kelambakkam.	Public Health Dentistry	2021	8 months
153	Dr.Cyril	Oral health status of sports university students in Kancheepuram.	Public Health Dentistry	2021	8 months
154	Dr.Cyril	Periodontal status among patients with cleft lip, cleft palate and cleft lip, alveolus and palate reporting to a dental hospital in India. A comparative study.	Public Health Dentistry	2021	12 months
155	Dr.Nagaland	Knowledge, Value, Opinion and Practice about usage of pit & fissure sealant among dental professionals in Chennai, Tamilnadu, India.	Public Health Dentistry	2021	8 months
156	Dr.Nagaland	Antimicrobial efficacy of two mouthrinses against C.Albicans – An In Vitro Study	Public Health Dentistry	2021	10 months
157	Dr.Nagaland	Perceived and normative needs, utilization of oral health care services and barriers to utilization of dental care services at Peripheral Medical centre: Poonjeri, Mamallapuram, India	Public Health Dentistry	2021	12 months
