

DEPARTMENT OF ORAL AND MAXILLOFACIAL SURGERY

III YEAR SEMINAR LIST

S.NO	DATE	SEMINAR TOPICS
01	02.05.20	Armamentarium used for administering LA
02	04.05.20	Basic injection techniques
03	05.05.20	Posterior superior alveolar nerve block
04	06.05.20	Middle superior alveolar nerve block
05	07.05.20	Anterior superior alveolar nerve block
06	08.05.20	Greater palatine nerve block
07	09.05.20	Nasopalatine nerve block
08	11.05.20	Anterior middle superior alveolar nerve block
09	12.05.20	Maxillary nerve block
10	13.05.20	Gow gates techniques
11	14.05.20	Local Complications of LA
12	15.05.20	Systemic Complications of LA
13	16.05.20	Mechanism of action of LA
14	18.05.20	Case History Part I
15	19.05.20	Case History Part II
16	20.05.20	Post Extraction instructions
17	21.05.20	Swelling and examination
18	22.05.20	Neurophysiology of LA
19	23.05.20	Onset and duration of LA
20	25.05.20	Pharmacology of LA
21	26.05.20	Supplemental injection techniques
22	27.05.20	Vazirani akinosi Technique
23	28.05.20	Indication and contraindication of Exodontia
24	29.05.20	Principles of Exodontia
25	30.05.20	Mental Nerve Block
