REPORT OF THE PROGRAMME:

The program was organized by CLAW and Prosthodontics department. This programme was conducted to emphasise the need for development of Soft skills and their importance in day to day clinical practice to the upcoming generation by Dr.Gokul Prasath K.S., BDS who completed his under graduation from Chettinad Dental College & Research Institute (CDCRI) [Batch 2013-2018]. This informative presentation started by explaining his journey and how communication has played a pivotal role in pursuing the treatment prescribed and also helped patients recommend his clinic. He also encouraged the participants to ask him any doubts they had, pertaining to the topic. The entire program was commenced with a sum of 35 intern participants and at the end of the program the speaker welcomed any doubts regarding clinic management. Finally, the speaker was presented with a guest speaker certificate on behalf of the Chettinad Dental College followed by an end note by the organiser. The participants were asked to fill in the feedback link that was published in the chat box of the Zoom meeting room before the end of the current meeting.

PROGRAM HIGHLIGHTS:

The program started by 10AM in lecture hall 14 – E block, 4th floor. All the ninety first year students were in the lecture hall. The speaker of the session is Dr. Snega who pursued her under graduation from Chettinad Dental College (Batch 2012-17). She narrated how she enjoyed learning as well as acquired various skills here and also shared her experiences like how all the staffs were more interactive and energetic. She is currently working as a senior lecturer here in Chettinad who was also an alumna of CDCRI, shared her experiences as well how the institution changed her life academically and personally. Students of I BDS were interestingly asking questions and interacting with the alumni speaker. All the students were asked to share their personal experience about the college until then.

REPORT OF THE PROGRAMME:

The program was organized by CLAW and Oral & Maxillofacial Pathology department. This programme was conducted to give an insight about managing multiple dental clinics to the upcoming generation by Dr.Vishnugopal.S., BDS who did his under graduation from Chettinad Dental College & Research Institute (CDCRI) [Batch 2013-2018]. This informative presentation started by explaining his journey of how he started with 1 clinic and gradually increased to 3 branches within 4 years. He briefed mainly about the financial aspects for setting up a dental clinic and succeeded by the skills that were basically required in a clinic. The entire program was commenced with a sum of 51 intern participants and at the end of the program the speaker welcomed any doubts regarding clinic management. Finally, the speaker was presented with a guest speaker certificate on behalf of the Chettinad Dental College followed by an end note by Dr.Snega.T. The participants were asked to fill in the feedback link that was published in the chat box of the Zoom meeting room before the end of the current meeting.
